

Chernobyl Children's Life Line

Registered Charity 1014274

Portsmouth and Hayling Island Link

Suitcases Needed

Each year we arrange for the visiting children from Chernobyl to have a four week recuperative break, away from contaminated food, water and air which boosts their immune systems to make a real difference to their health and wellbeing.

During the visit we provide the children with clothing as many of them arrive with very little or in some cases only the clothes they have on, but they need suitcases on wheels to take the clothes home in.

We also need Good Condition Second Hand Children's Clothes (Age 10 – 13 years)

We collect suitcases and clothes all year but we have 12 children arriving in May and our stocks a desperately low; if you can help with any donation it would be greatly appreciated.
